

Innisdale Daily Announcements

November 6, 2023

Guidance	Attention grads - here with us at lunch today in the library is Kings University College, from London, Ontario. Kings University College is a liberal arts school located on a beautiful campus and part of Western University. Students enjoy the "best of both worlds", earning a degree from Western University and accessing courses and facilities from both main and Kings campus. Classes at Kings are smaller and the personal touch that you can't get at the bigger schools is REAL.
Co-op	Have you EVER thought about joining the Military? Did you know you can join the military through the School Co-op Program? Sergeant Young will be in our Front Foyer over the Lunch Period on Wednesday November 8th to connect with anyone interested in the Military Co-op or a Military Career. Full-time military co-op opportunities are offered during the 2nd Semester. You would earn 4 High School Credits. Make \$15,000 as a Paid Co-op student and have the opportunity to continue your employment with the military over the summer to make even more money. All interested students please come to the Front Foyer on Wednesday!
Athletic Society	Calling all members of the Krakens, Dragons, Lions, and Wolves! Join us on November 9th at the gym to show off your skills in a 3 point and free throw basketball contest. Don't forget to wear your house Color t-shirt and cheer on your fellow house members as they showcase their skills on the basketball court. See you Thursday at lunch in the gym!
Cross Country Running	Congratulations to Tyler Klazak who ran at the OFSAA cross country running championships on Saturday. The 6km race course was challenging with two monster hills. Tyler battled alongside 300 of Ontario's best high school runners. It was great for the Innisdale Invaders. Give Tyler a high five if you see him in the halls.
Cross Country Running	Attention cross country runners! Pizza in room 211 at lunch on Thursday, November 9th. Looking forward to seeing you.
Treaty Recognition Week	This week is Treaty Recognition Week in Ontario; an official time designated to recognize the importance of treaties, and to bring awareness to the more than 40 treaties and other land agreements in the province and the treaty relationships between Indigenous and non-Indigenous people. Take a couple of minutes this week to learn about and acknowledge the land on which you live and the treaties that exist on this land.
GSA	Hey Innisdale! The GSA is meeting today in room 120 for lunch! Bring your creativity and rainbow spirit for today's meeting as we start preparing for future fun events!
Varsity Hockey	Reminder! Varsity Hockey tryouts today right after school. If you have any questions please see Mr. B in the Guidance office!
DECA	A huge shoutout to all the members of Innisdale DECA's Club who participated in yesterday's Regional Event. Many coming in top 10 in their categories! A special shoutout to Terrance Yang who placed third in his respective category, as well as Increase- Joseph-Nwala and Leanna He, who both dominated their categories and brought home first place. Innisdale could not be prouder.
